

## San Diego County Track Starters Association

To: Track Coaches, Athletic Directors, Finance Techs

Subject: 2025 Track Schedule/Fee Schedule

### **Scheduling Meets:**

- **It's time to input your 2025 Track and Field Schedule.**
- You may input your HOME schedule on Arbiter (date, time, and location) or send to the Assignment Secretary.
- Any changes to meets (dates, times, locations) will be charged a late fee of \$10.00. You must contact the Assignment Secretary if changes are made.
- Schedules not entered by **January 24, 2025** will be charged a late fee of \$25.00.
- If you need assistance, please contact the Assignment Secretary.
- Please double-check Arbiter to ensure your meet information is correct.

### **Requesting or Blocking Specific Starters:**

- We attempt to promote fairness by assigning starters to a variety of schools each season. Thus, no requests for a specific starter will be honored.
- If you wish to block a specific official from working at your meets, CHSSO language states that we should "Honor requests by school officials on scratch lists supplied by school **prior to the beginning of season** not to assign particular officials to any home or playoff contests." Requests made after the season starts may not be honored.

### **2025 Fee Schedule:**

- Base fee: \$ 96.00 + \$1.50 for each race over 20
- If the school does not provide shells, an additional shells fee (\$70 per box of 50 shells) will be added. Schools may request the return of unused shells.
- SEE FEE SCHEDULE, page 2.

### **Paying Starters:**

- If the school uses Arbiter Pay, the starter will submit payment information at the end of the meet.
- If the school does NOT use Arbiter Pay, please provide a payment voucher for the Starter to sign.
- Please submit payments quickly. The Starter should receive payment within 10 days.

### **Starter Communication:**

- Starters are asked to contact the Home Team three days before the meet assignment.
- If you do not hear from your Starter, please contact the Assignment Secretary prior to meet day.

### **Invitational Meets, League Prelims/Finals, CIF Prelims/Finals:**

- If you are hosting an Invitational, please send the Assignment Secretary the meet information.
- Schools hosting League Prelims and Finals need to provide the Assignment Secretary with that information as soon as the details are final (preferably 4 weeks before the event).
- Only the Assignment Secretary can enter Invitationals, League Prelims/Finals, and CIF Prelims/Finals into Arbiter.
- All assignments will be made through the Assignment Secretary. These assignments include Lead Starter/Starter, Stager, Track Referee, Field Referee, Zone Inspectors, and Umpires.

### **Arbiter Updates:**

- If your Athletic Director, Head Coach, or Finance Tech has changed since last year, please send the Assignment Secretary the new name and email address.
- If your school is using Arbiter Pay for the first time, please contact the Assignment Secretary.

### **Starter Evaluations:**

- Starters should provide a QR code after the meet for coaches to evaluate the Starter.
- A link to the Starter Evaluation is also provided below.
